as among the compromises has been ready. "No, I am not saying that SP3 could be modified from a robot craft to carry a human crew. The design could not feasibly be modified at this late stage. Too many things would have to be thought out again from the beginning, and such a task would require decades. And yet, nothing comparable to SP3 is anywhere near as advanced a stage of design at the present time, let alone near being constructed. The opportunity is unique and cannot, surely, be allowed to pass by. But at the same time we cannot afford the delay that would be needed to take advantage of that opportunity.
